

Trinity Guest House

Opening in April 2008, the Trinity Guest House is located directly across the street from Trinity Hospital. The Guest House will offer a welcoming, comfortable, and caring home for family members of critically ill and critically injured patients.

With all of the comforts of home, family members will have a place to relax, with the peace of mind of knowing they are only a few steps away from their loved ones in the hospital.

The Trinity Guest House will have 12 sleeping rooms and two gathering rooms with a small kitchenette for family members to visit or prepare a small meal.
