

PRIDE/Endowments/Funds

Trinity Health Foundation has both endowments and specific funds to which you may direct your gift. Please remember that if you give to an endowment, only a portion of the fund can be utilized each year. When you give to a fund that is not an endowment, the entire fund may be utilized.

PRIDE Fund – Pride is Trinity Health’s charitable giving program designed to assist fellow employees with financial support for unexpected tragedy or hardship of an employee or the employee’s immediate family. Pride also provides departments with funds for conference registration, and assists with facility/equipment upgrades.
