REVIEW OF MINIMUM REQUIREMENTS (See Policy Manual for full details)

Age: Applicants must be at least **18** years of age.

Education: The American Registry in Radiologic Technology (ARRT) is the only certifying agency in the United States offering credentials in medical imaging and requires candidates wishing to become a Registered Technologist (R.T.) by taking the ARRT radiography exam only if they 1) possess **at least an associate degree, and** 2) complete an ARRT-approved clinical educational program (like this one).

In accordance with this, Program applicants must demonstrate evidence of:

- 1) having earned a(n) **associate or baccalaureate degree**; or
- 2) **current enrollment in a degree program** that will earn the applicant an associate or baccalaureate degree before beginning the Program.

Regardless of the degree held by the applicant, satisfactory completion of the following post-secondary courses are required to be considered for admission to the Program to earn a clinical certificate in radiography:

The Program's Prerequisite Post-Secondary Courses

- 1 semester advanced level math (College Algebra, Precalculus, or Statistics)
- 2 semesters/1 full year of Anatomy and Physiology
- 1 semester of Physics
- 1 semester of Medical Terminology
- 1 semester of social/behavioral science course (Psychology, Sociology, Ethics)
- 1 semester of Oral Communication/Speech
- 1 semester of English Composition

GPA: The applicant must have a minimum cumulative college GPA of **2.75** at the time of application.

Other: There are also specific technical, personal and ethical specifications that an applicant must possess and attest to, which are detailed within the **Technical Specifications and Codes of Ethics and Honor forms** mentioned above. See the Policy Manual as well for more detail on the specific requirements.

***** If you have **not** received confirmation from the program director by January 1, you will **not** be contacted for an interview. If you have received confirmation from the program director by January 1, you will be contacted to set up a personal interview in mid January. Please feel free to contact the program director for any questions about the process. *****
