Date of Procedure: _____

ARRIVAL TIME: _____

Physician _____

- A nurse from Trinity Health Preadmissions may be **calling** you before your scheduled procedure to update your health history and medication list. **It is very important that you read the accompanying information about your upcoming procedure.**
- Review and keep the instructions so that you can have any questions answered before your procedure
- Check with your insurance company if you have any concerns regarding insurance coverage for this test.
- If you are receiving sedation for your procedure:
 - Arrange for a responsible adult, age 18 or older, to drive you home from your procedure. If you do not have a driver your procedure will be canceled.
 - **If your driver does not stay with you during your procedure, they must be available to return at any time.** Your driver must come to the clinic and drive you home.
 - If you come by van, taxi, bus, or walk; a family member or friend must accompany you home. We CANNOT discharge you alone.
 - Driving a car, operating any machinery or power tool is **Prohibited** for **24** hours after your procedure

Pediatric Patients: Patients Under Age 18 Years

- A parent or legal guardian **must remain** at the Trinity Health Gastroenterology Same Day Surgery Dept. the entire time the pediatric patient is here.
- We recommend 2 adults accompany the pediatric patient on the drive home. One adult to drive and one to care for the patient.
- Expect your child to be sleepy and possibly emotional for the remainder of the day.
- Do not bring other siblings with you to the patient's appointment.
- If two children in the family are having a procedure, two adults need to be present.

If you have questions or need to reschedule, call the number listed at the top of the page.

On rare occasions, the clinic has been closed due to the weather. If you are concerned about the clinic being open due to weather, call 1-800-598-1205 or 701-857-5000.
