Looking Ahead

- Wild About Safety community event on June 7 at Roosevelt Park Zoo
- Continue to increase Injury Prevention community events
- Continue to explore the possibility of adding a half-time coordinator to expand event opportunities and fulfill the American College of Surgeons recommendation of a fulltime injury prevention coordinator
- Possibility of “Stepping On” falls prevention program
- CPST Proxie Certification

Safe Kids Minot looks forward to helping our community stay safe in 2022!

2021 Annual Report
Safe Kids Minot
and
Injury Prevention

Safe Kids Minot had an active third year, serving over 3,000 community members in coordination with Trinity Health’s Injury Prevention program.

Due to the ongoing pandemic, we continued to maintain a mix of virtual and in-person events and presentations in 2021. Although we were grateful to have been able to successfully adapt our presentations to virtual platforms, we were happy to once again see smiling faces at our in-person events, including our safety presentations at the Minot Public Schools CLC after school programs.

In addition, we continue to broaden our audience through our Facebook page where we share resources and practical tools for keeping children safe.

New Projects

- Family safety activity book
- Sports hydration stickers
- Concussion awareness stickers
- Driveway safety cards
 - Will be packaged with sidewalk chalk and handed out at events to area families
- Popcorn Box Safety Messages
 - Concussion Safety and Sports Hydration stickers were created and placed on the popcorn boxes by Brady Martz employees, a new partnership for Safe Kids Minot. The popcorn boxes were then provided to South Prairie Public School, Minot Public Schools and Berthold Public School. The project was funded in part through grant monies.

New Partnerships

- | | | |
|----------------------------------|------------------------|--------------------------|
| • Kyle Patterson, Vision Zero ND | • Brady Martz | • Minot Park District |
| • Minot Public Schools | • South Prairie School | • Berthold Public School |
