

BUILDING YOUR FUTURE, YOUR COMMUNITY, YOUR HEALTH

TRINITY HEALTH
FOUNDATION

Annual Report 2024

July 1, 2023-June 30, 2024

Dusty Zimmerman

Trinity Health
Foundation Director

“The progress we’ve made is a testament to the power of collaboration and the shared belief in providing exceptional care close to home.”

MESSAGE FROM THE DIRECTOR

As we close out another remarkable year at Trinity Health Foundation, I am filled with immense gratitude for the generosity and unwavering support of donors like you. Your contributions have not only sustained our mission but have also propelled us toward a brighter future for our community.

This year, we achieved a tremendous milestone together—the highlight of which was a transformative \$15 million contribution toward the new Trinity Health Healthcare Campus and Medical District. This state-of-the-art facility represents a bold vision for healthcare in our region, and your support is helping to turn that vision into reality.

The progress we’ve made is a testament to the power of collaboration and the shared belief in providing exceptional care close to home. The new campus will serve as a beacon of hope and healing for generations to come, and it is all thanks to you.

In FY24, we also saw growth across other critical programs, expanded access to care and advanced innovative solutions to meet the evolving needs of our patients and families. Each of these successes is a direct reflection of your commitment to making a difference.

On behalf of Trinity Health Foundation and the countless lives touched by your generosity, thank you. Your investment in our mission is an investment in the health and well-being of our entire community.

As we look ahead to our future, I invite you to continue this journey with us. Together, we will build on this year’s success and ensure that quality healthcare remains a cornerstone of our region.

With heartfelt appreciation,

A handwritten signature in black ink, appearing to read 'Dusty Zimmerman', with a long horizontal flourish extending to the right.

FAMILY AND PATIENT SUPPORT

CancerCare Cottage

A home away from home that provides a healing setting where non-resident cancer patients stay during extended periods of cancer treatments.

CANCERCARE PATIENT ASSISTANCE

Magic City Beverage

Along with local partners and Michelob Ultra, donated proceeds from their fundraiser to provide Comfort and Care Packages to patients newly diagnosed with breast cancer.

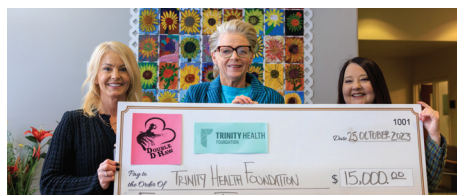

Minot Curling Club

Held the fourth annual Curl for the Cure 'funspiel' and presented donations to the Trinity Health CancerCare Center.

Minot Police Department

Participated in Pink Patch Breast Cancer Awareness and No-Shave November and donated proceeds to the Trinity Health CancerCare Center.

The Blue Rider

Held the second annual Double D-Haw breast cancer fundraiser. Proceeds from ticket sales, art auction and special beer from Atypical Brewery were donated to the Trinity Health CancerCare Center.

Ward County Sheriff's Office (Sheriff's Office, Juvenile & Jail Detention, Court Services)

Participated in No-Shave November and donated proceeds to the Trinity Health CancerCare Center.

Minot High School Girls Soccer

The varsity team held their KICK Cancer fundraiser and donated proceeds to the Trinity Health CancerCare Patient Assistance Fund.

PATIENT ASSISTANCE PROGRAMS

Wig Program

Trinity Health Foundation, in partnership with Total Beauty Supply, has formed a new wig partnership for Trinity Health CancerCare patients. Patients will receive a private wig fitting and styling consultation with Total Beauty Supply staff, a wig starter kit and up to \$150 toward the purchase of a new wig.

CancerCare Patient Assistance Fund

Provides direct financial support along with the supply of compression garments, lotions, etc.

Tree of Hope

Ribbon keychains representing the various types of cancer are provided to patients who complete their treatments as a keepsake of their experience.

Building Hope Women's Golf Tournament

Postponed due to weather. In 25 years, over \$283,000 has been raised for the CancerCare Patient Assistance Fund.

Ryan Chevrolet

10th Annual Pancake Breakfast raised \$20,037

Minot's Marketplace Foods

Power of Pink total from all four locations \$30,945.13

Cancer Exercise Rehabilitation Program

Provides clinical exercise and conditioning for cancer patients and survivors to help gain strength and resilience, and addresses the emotional, mental and spiritual challenges that are part of a cancer diagnosis. Contributions are made by donors to pay for this program that is not supported by insurance. To date, we have served over 700 patients.

The 1st Annual Chopper Drop: A Soaring Success!

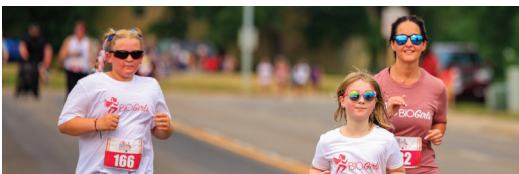

On Monday, August 14, the Souris Valley Golf Course was the site of an exciting and memorable event—the 1st Annual Chopper Drop! Thanks to the incredible support of our community, this event was a tremendous success. Proceeds from the Chopper Drop will directly benefit the Trinity Health Cancer Exercise Rehab Program, helping to enhance the lives of those in our care. Thank you to everyone who participated and contributed to making this inaugural event unforgettable. Together, we're making a difference!

SUPPORTING THE COMMUNITY

Comfort Animals

Stuffed animals provided to children receiving care in Trinity Health facilities.

BIO Girls - Minot

Trinity Health Foundation provided a third year of support to BIO Girls Minot aimed at improving self-esteem of adolescent girls.

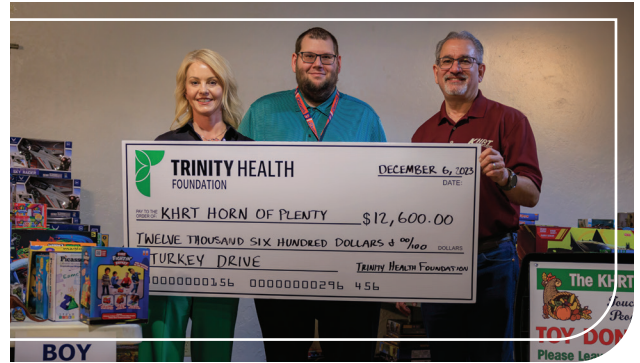

Community Leadership Institute (CLI)

Educational outreach focusing on current healthcare facilities in Minot.

Parkinson's Exercise Program

Provides clinical exercise and conditioning for Parkinson's Disease patients to help delay the disease symptoms, prevent falls, assist with emotional and mental health concerns and provide an extended quality of life for patients at no cost to the patient.

Horn of Plenty

Fundraiser that provides a turkey dinner, a week's worth of meals, and Christmas presents for children in need along with opportunities to distribute donated items.

Annual Hospice Symposium: The Importance of Early Conversations About Hospice Care

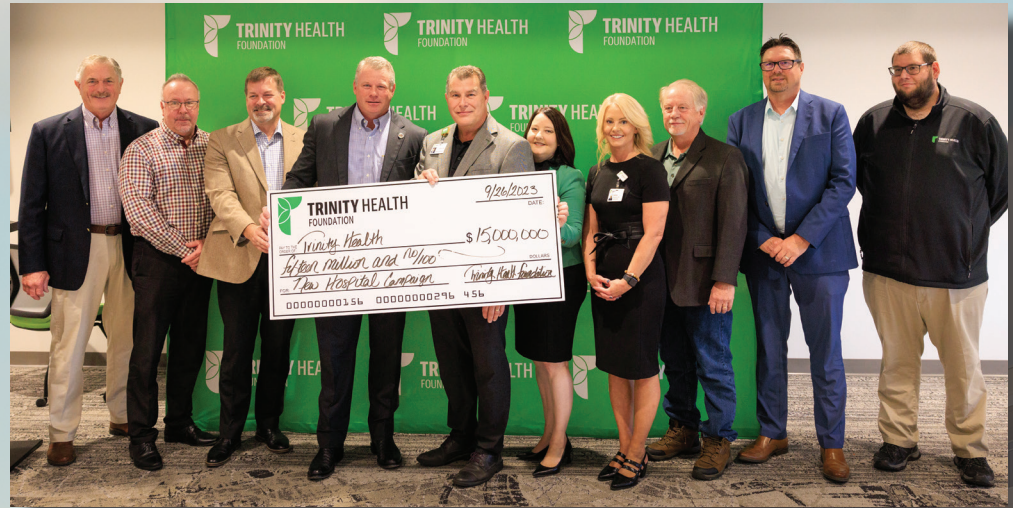

Early education and open communication are critical to maintaining or improving quality of life, especially as a loved one nears the end of life. Hospice care, available for patients with a life expectancy of six months or less, focuses on comfort and support for both the patient and their family.

On October 5, Kurt Kazanowski—hospice consultant, speaker, author, and coach—shared his expertise on initiating these conversations early. Drawing from his personal experiences with his aging parents and his extensive work as a nurse and hospice professional, Kazanowski provided practical advice and heartfelt insights. His presentation empowered attendees to navigate these challenging discussions and highlighted how hospice care can be a meaningful gift for loved ones.

CAPITAL CAMPAIGN CONTRIBUTION

\$15 Million

Trinity Health Foundation concludes its capital campaign with a **\$15,000,000** contribution to Trinity Health!

We are thrilled to announce that Trinity Health Foundation has concluded its capital campaign with a \$15,000,000 contribution to Trinity Health. This will be used to fund various amenities at the new state-of-the-art Trinity Health Healthcare Campus and Medical District, including the pediatric play therapy room, SANE (Sexual Assault Nurse Exam) room, kidney dialysis machines, hospital connectors and chapel.

We are grateful to the Trinity Health Foundation board members, donors and volunteers who made this campaign a success. Their support will help us continue to make more possible for years to come.

2023 GIFTS

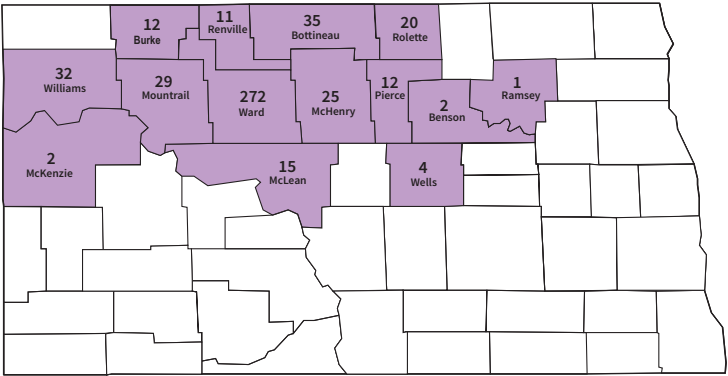

First Western Bank & Trust pledged to donate \$50,000 to the Neonatal Intensive Care Unit as part of the capital campaign for the Trinity Health Healthcare Campus and Medical District.

Minot Junior Golf Association donated \$75,000 for the development of a playground on the north end of the new Trinity Health Healthcare Campus and Medical District.

Minot State University Development Foundation pledged to donate \$25,000 toward a family consultation room as part of the capital campaign for the Trinity Health Healthcare Campus and Medical District.

6TH ANNUAL FUEL THE FIGHT INITIATIVE

Provides fuel vouchers for rural oncology patients receiving care at Trinity Health’s CancerCare Center. Funds are raised through gas sales. The 2023 campaign raised over \$84,000.

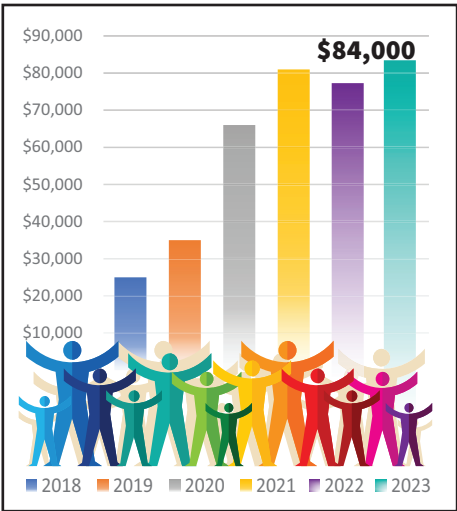

Number of patients within each North Dakota county diagnosed and/or treated at Trinity Health CancerCare Center in 2023.

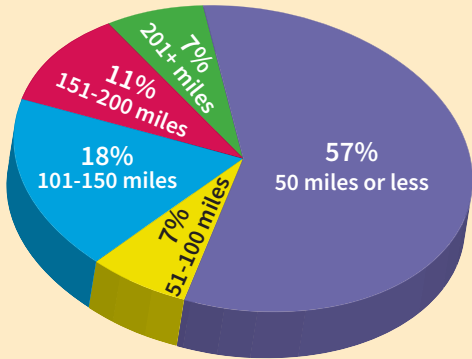

Cash and In-Kind Gifts

In 2017, Trinity Health Foundation began providing fuel vouchers to assist oncology patients with travel costs. The next year, the Fuel the Fight initiative began to help fund the growing number of vouchers provided to patients. Trinity Health Foundation partners with Dakota Square Arco and other businesses to “Fuel the Fight” against cancer.

Proceeds from the event provide gas vouchers for CancerCare patients. Trinity Health’s CancerCare Center serves patients from 20 counties in North Dakota, as well as individuals from eastern Montana and Canada.

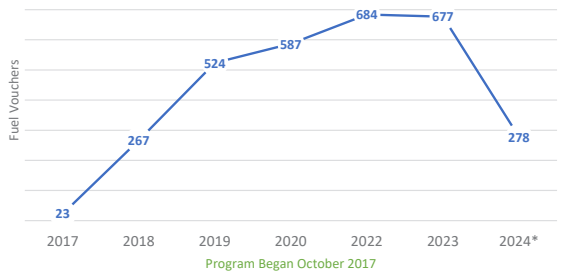

Roundtrip Distance Traveled for Services at the CancerCare Center

Fuel vouchers help patients and their families who demonstrate financial need to travel to and from Trinity Health’s CancerCare Center to receive their treatment. Nearly 36% of the patients treated at Trinity Health’s CancerCare Center travel over 150 miles for each treatment.

Fuel Vouchers Provided to Patients

Total: 3,040 vouchers = \$161,475 in fuel assistance (*part of fiscal year reported)

Flower Central Flowers for a Year Winner – Patti Bengson

Gas for a Year sponsored by First International Bank & Trust Winner – Stuart Hammer

Homesteaders Restaurant Dinner for a Year Winner – Rodney Gruenberg

6th Annual Fuel the Fight Raises Over \$84,000

Trinity Health Foundation partnered with Dakota Square Arco and other businesses on September 9, to “Fuel the Fight” against cancer. Fuel the Fight supporters stopped by Dakota Square Arco throughout the day to fill their gas tanks and the fuel voucher fund. Anyone purchasing eight gallons or more of fuel was registered to win a year of free gas, courtesy of First International Bank & Trust. Fuel the Fight helps support the fuel voucher program offered to patients receiving care at Trinity Health’s CancerCare Center. Patients receiving active oncology-related treatment are eligible for up to four \$75 vouchers annually for a total assistance of up to \$300.

SUPPORTING TRINITY HEALTH

Paige Ackerman, Samantha Babcock, Isabella Boedicker, Cassie Crow Flies High, Drew Feist, Hailea Fletcher, Cambry Frantsvog, Krysten Glab, Day Grogan, Hannah Hagen, Keegan Henjum, Kimberly Hoodman, Erin Morin, Paige Rosencrans, Alyxys Sabile, Dorothea Vogel and Micah Walter.

INVESTMENTS IN THE FUTURE

Nursing Scholarships

Awarded 17 scholarships to nursing students throughout the region. In total, the Trinity Health Foundation has awarded \$331,300 scholarships to 106 nursing students in the last seven years. This year we added a nursing scholarship to Minot High HOSA students who are interested in pursuing a degree in nursing. \$1,000 scholarships were awarded to: Isabelle Anderson, Emma Rensvold, Alexa Rice and Morgan Strange.

Radiologic Technology Scholarship

The Michelle Keller Rad Tech scholarship is open to senior students in the Trinity Health School of Radiologic Technology. Each year senior radiologic technology students prepare scientific research papers, that are judged anonymously, to compete for the scholarship. The 2023 Michelle Keller Rad Tech Scholarship Winner is Abigail Richardson for her research paper on Psychoradiology.

Minot Chapter of HOSA (Future Health Professionals)

Trinity Health Foundation is proud to invest in our community by supporting Minot High School's Health Occupations Students of America (HOSA). We granted \$10,000 to assist HOSA students attending the 2024 International Leadership Conference in Houston, TX.

INVESTMENTS IN TRINITY HEALTH STAFF

GRACE

Fund allows staff members to assist their co-workers by designating a portion of their paychecks to be gifted to Trinity Health employees facing a hardship situation for themselves or an immediate family member. Funding was awarded to 22 staff members for over \$60,000.

Education and Training

Assists in providing funding for staff to participate in educational activities, conferences and training opportunities including LPN IV certification class, Trauma Quality improvement program conference and the Minnesota-Dakota Society of perianesthesia nurses winter conference.

INVESTMENTS IN TRINITY HEALTH EQUIPMENT

Pediatric Therapy Gym

Thanks to support from Town & Country Credit Union, Trinity Health Foundation supported a new Pediatric Therapy Gym at Trinity Health West. The gym provides vital therapeutic care for children with developmental disabilities. Key Features – Sensory Gym: Designed for safe, engaging play and sensory stimulation. Two Calming Rooms: Stress-free spaces for relaxation and focus. Therapy Services: Physical, occupational and speech therapy available. Skill Development: Enhances core strength, sensory processing and social interaction.

Infusion Chairs

Thanks to a generous donation from Roger & Adeline Evans, Trinity Health Foundation was able to replace eighteen infusion chairs at the Trinity Health CancerCare Center.

Glidescope Go

Four GlideScope Go video laryngoscopes were purchased by the Trinity Health Foundation for First Response Ground Ambulance. The GlideScope Go is a medical device that helps staff see inside the throat to place a breathing tube safely. It has a tiny camera at the tip allowing the user to see the airway on a screen, making it easier to guide the breathing tube into the right place.

GRANTS

Hess – Granted \$50,000 toward the purchase of a new 4x4 ambulance for Trinity Health's First Response Ground Ambulance service.

American Cancer Society – Granted \$10,000 to assist cancer patients with costs associated with traveling to and from treatment.

Rural Community Grant Fund – Granted \$25,000 toward the completion of a training/conference room for Trinity Health Western Dakota Clinic in Williston.

Minot Area Community Foundation – Granted over \$15,000 to purchase necessary equipment for Trinity Health's Focused Exercise – Parkinson's

North Dakota Department of Commerce Regional Workforce Impact Program – Granted over \$245,000 to purchase training equipment and upgrade audio/visual capabilities to improve and expand training programs for both current and future Trinity Health RNs, CNAs and EMS professionals.

GIFTS IN-KIND

Trinity Health Foundation has received numerous gifts in-kind throughout the year from these supporters:

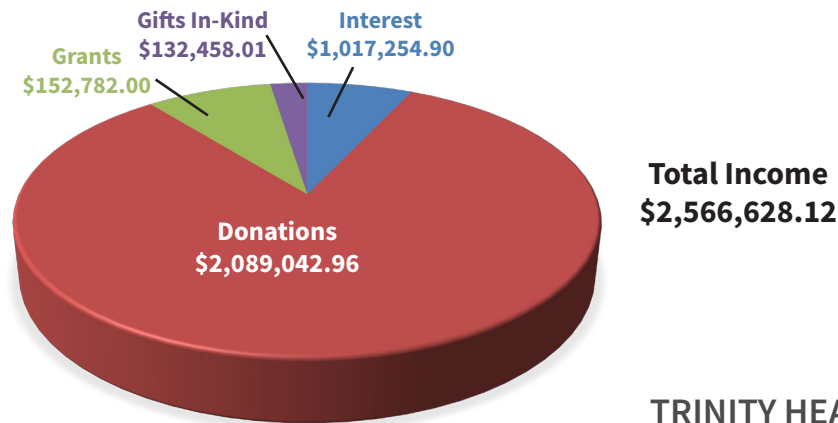

- Sowers of Love – Vincent United Methodist Church
- Advanced Medical Career Students – Minot Public Schools
- Delta Vacations
- Willow City Mission Quilters
- Starlight Children's Foundation
- Affinity First Federal Credit Union
- Pillows for Patients – Rhonda Zimny
- Local companies who support our efforts through prizes and donations for events
- Local crafters who make hats, blankets, prayer shawls, etc, for patients

CASINO ROYALE FUNDRAISING GALA

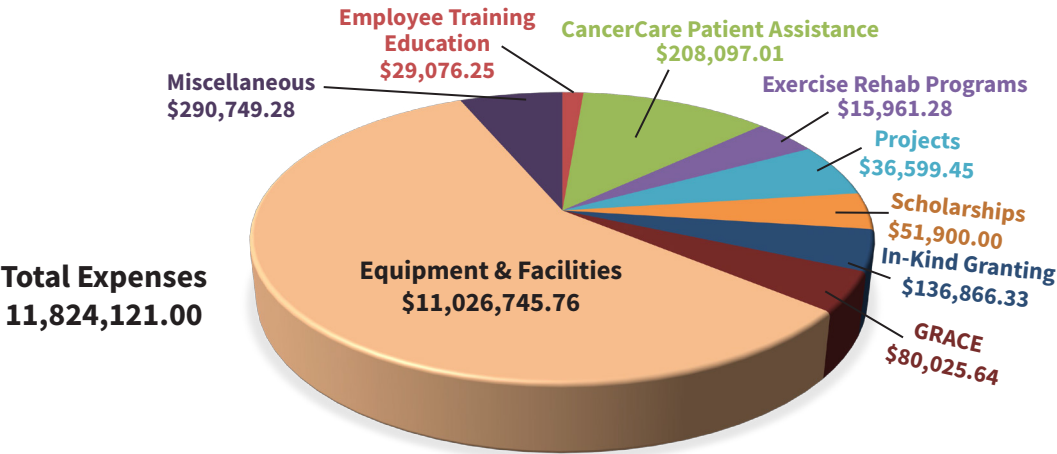

In March 2024, Trinity Health Foundation hosted our 3rd annual fundraising event, the Casino Royale Fundraising Gala. Attendees raised over \$156,000 in support of a new NICU Transport Incubator. Funds were raised through event and VIP ticket sales, sponsorships, live auction, silent auction, Purse-onality and Bro Bag auction and several other in-room fundraisers.

TRINITY HEALTH FOUNDATION INCOME

TRINITY HEALTH FOUNDATION EXPENSES
