TRINITY HEALTH
FOUNDATION

Annual Report

July 1, 2025 - June 30, 2026

2026

MAKING *more* POSSIBLE

Message from the Director

Dear Friends and Supporters,

On behalf of Trinity Health Foundation, I am honored to share our Fiscal Year 2026 Annual Report and extend my deepest gratitude for your continued generosity and commitment to our mission.

This past year has been filled with meaningful progress and exciting opportunities to strengthen healthcare for patients and families across our region. Because of your generosity and belief in our mission, Trinity Health Foundation was able to support initiatives that advance innovation, expand access to care and invest in the future of healthcare:

• **Advancing Breast Health:** We proudly supported the purchase of a Trident breast biopsy machine, bringing advanced technology to our region and helping provide patients with a more efficient and comfortable experience during breast biopsies. This investment strengthens our commitment to early detection and exceptional breast care close to home.

• **Expanding Cardiac Services:** Your support helped make it possible for Trinity Health to add new cardiac services, expanding the care available to patients in our community. By supporting the growth of these services, we are helping ensure more patients can receive the specialized cardiac care they need without having to travel far from home.

• **Investing in the Future of Healthcare:** We were proud to launch the Healthcare Careers Scholarship Program. By investing in the next generation of healthcare professionals, we are helping build a stronger workforce and ensuring quality care remains available in our region for years to come.

Each of these accomplishments reflects the power of philanthropy and the difference you make every day. Your generosity allows Trinity Health to embrace innovation, expand essential services and invest in the people and technology that make exceptional care possible.

As we look ahead, we remain committed to building on this momentum—strengthening healthcare services, supporting new opportunities and ensuring that patients and families have access to high-quality care close to home. None of this would be possible without you.

Thank you for your generosity, your trust and your partnership. Together, we are making more possible and creating a healthier future for our community.

With heartfelt appreciation,

Dusty Zimmerman

CancerCare Patient Assistance

CancerCare Cottage
A home away from home that provides a healing setting where non-resident cancer patients stay during extended periods of cancer treatments.

CancerCare Patient Assistance Fund
The CancerCare Patient Assistance Fund provides direct financial support and essential care items, such as compression garments and therapeutic lotions, to patients undergoing cancer treatment. In fiscal year 2026, the fund delivered more than $168,000 in direct assistance to 128 patients, alleviating financial burdens and allowing individuals to focus on their healing journey.

Tree of Hope
Ribbon keychains, representing various types of cancer, are presented to patients upon completion of treatment as a meaningful keepsake of their journey. These small but powerful tokens honor resilience, celebrate milestones and serve as a lasting reminder of strength, hope and the support surrounding each patient.

Wig Program
In partnership with Total Beauty Supply and Beruthie Hair, Trinity Health Foundation proudly continues its wig support program for patients receiving care at the Trinity Health CancerCare Center. This program includes a private wig fitting and styling consultation with experienced staff, a wig starter kit and up to $300 toward the purchase of a new wig.

CancerCare Patient Assistance

South Prairie High School
We extend our thanks to South Prairie High School for hosting a Breast Cancer Awareness Month volleyball game in support of the CancerCare Patient Assistance Fund. Through pink Italian sodas, free-will donations and a chili cook-off, the Royals came together to raise funds to help meet essential needs for patients during their cancer journey.

Nedrose High School
We are grateful to the Nedrose High School Volleyball team for their generous Pink Night donation supporting the CancerCare Patient Assistance Fund. Their generosity helps provide financial assistance, wigs, compression garments and other support to patients throughout their cancer journey.

Magic City Beverage
We extend our sincere thanks to Magic City Beverage and Michelob Ultra for their generous $30,166 donation in support of the Trinity Health CancerCare Center. The gift provided a much-needed Uninterruptible Power Supply for the Linear Accelerators. We are grateful to Magic City Beverage for their generosity and continued commitment to local cancer patients and their families.

Minot Curling Club
The Minot Curling Club hosted its fifth annual Curling for the Cure bonspiel, bringing the community together in support of cancer care.

Supporting the Community

BIO Girls – Minot & South Prairie
Trinity Health Foundation proudly awarded a $5,000 grant to BIO Girls – Minot, ND in support of its 2026 youth programs. BIO Girls empowers girls in grades 2–6 through mentorship, confidence-building curriculum and creative and physical activities led by dedicated local volunteers.

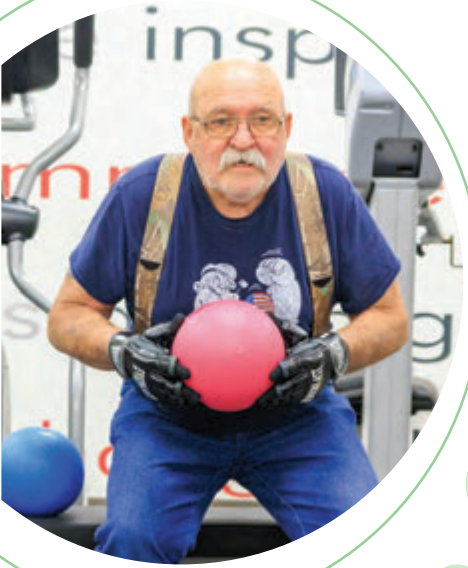

Comfort Animals
Stuffed animals are provided to children receiving care at Trinity Health facilities, offering comfort, reassurance and a sense of safety during medical visits.

Community Health Alliance Program
Developed in partnership with Trinity Health and the Minot Fire Department, this innovative initiative strengthens public health by connecting emergency services with critical community resources.

Cancer Exercise Rehab
Provides individualized, clinically guided exercise and conditioning for cancer patients and survivors to help rebuild strength, resilience and physical function. The program also addresses the emotional, mental and spiritual challenges that accompany a cancer diagnosis, supporting whole-person healing throughout treatment and recovery. Because these services are not covered by insurance, generous donor contributions make this vital program accessible at no cost to participants.

Together, these donations reflect a commitment to stewardship, education and community partnership, maximizing the impact of donor generosity while strengthening health and learning across our region.

Supporting the Community

Marketplace Foods

During October, 10% of specially marked pink bakery item sales from the 19th Annual Power of Pink promotion were donated to Trinity Health Foundation in support of the Cancer Exercise Rehab Program.

Ryan Chevrolet

Ryan Chevrolet hosted its 12th Annual Pancake Breakfast and generously donated the proceeds to the Cancer Exercise Rehab Program, helping ensure cancer patients and survivors have access to free, personalized exercise support.

Parkinson's Exercise Program

Provides individualized, clinically guided exercise and conditioning for individuals living with Parkinson's disease. The program is designed to help delay disease progression, reduce fall risk and address emotional and mental health challenges, supporting improved mobility, confidence and overall quality of life.

Roger and Delores Odell Private Trust

Generously donated $25,000 to support the Parkinson's Exercise Program ensuring patients can continue to participate in this vital program over the next year.

Supporting Trinity Health

INVESTING IN THE FUTURE

Nursing Scholarships

Four $10,000 scholarships were awarded to students from Minot State University and Dakota College at Bottineau, each including a two-year employment commitment to Trinity Health upon graduation. Additional $5,000 scholarships were awarded to nursing students at both institutions, including the Blue Cross Blue Shield of North Dakota scholarship. Two $1,000 scholarships also were awarded to Minot North High School students pursuing a career in nursing. Through donor generosity, this program continues to invest in nursing education, retain local talent and ensure compassionate, high-quality care for our community.

Radiologic Technology Scholarship

The Michelle Keller Radiologic Technology Scholarship supports senior students in the Trinity Health School of Radiologic Technology. Each year, students submit research papers that are judged to determine the scholarship recipient. The 2025 scholarship was awarded to Sierra Haren in recognition of her academic achievement and dedication to the profession.

Minot Chapter of HOSA (Health Occupations Students of America)

Trinity Health Foundation proudly awarded $10,000 in support of HOSA (Health Occupations Students of America) students from Minot North High School, helping fund their participation in the 2026 HOSA International Leadership Conference. This investment supports hands-on learning, leadership development and the continued growth of future healthcare professionals in our community.

Supporting Trinity Health

STAFF, EQUIPMENT & GRANTS

INVESTING IN TRINITY HEALTH STAFF

GRACE Fund

The GRACE Fund empowers Trinity Health employees to support one another by voluntarily designating a portion of their paychecks to assist colleagues facing financial hardship due to personal or immediate family emergencies. Through this compassionate program, more than $39,000 was awarded to 13 staff members. Additionally, the Grace Fund responded to the needs of employees and their families impacted by the government shutdown by providing $10,500.17 in support through a food distribution program. Together, these efforts demonstrate the power of employees helping employees and the compassion that strengthens our Trinity Health community.

Education and Training

Trinity Health Foundation provides critical funding to support staff participation in professional education, conferences and specialized training opportunities. These include programs such as LPN IV certification course and Occupational Medicine certifications.

INVESTING IN TRINITY HEALTH EQUIPMENT

Vehicle for KeyCare Medical

To help improve timely delivery to patients, Trinity Health Foundation purchased a van for KeyCare Medical. The vehicle is used to deliver essential medical equipment safely and efficiently to patients throughout the community, helping ensure they receive the equipment they need when they need it.

Blanket Warmer for the CancerCare Center

Trinity Health Foundation purchased a new blanket warmer for the CancerCare Center. IV infusions can cause patients to feel cold, making warm blankets an important part of keeping patients comfortable during treatment. The new warmer helps provide comfort to approximately 40-50 patients receiving care in the Infusion Center each day.

Trident Radiography System
Thanks to a partnership with Double D-Haw and the generosity of donors, Trinity Health Foundation was able to purchase a Trident HD Specimen Radiography System to enhance its breast care services. This advanced technology provides high-resolution imaging of breast tissue specimens right in the operating room, helping physicians make informed decisions in real time and improve surgical precision. By bringing this technology closer to home, Trinity Health can continue to provide innovative, high-quality breast care to patients in our region.

ENT Towers & Scopes
Trinity Health Foundation purchased new ENT towers and scopes to replace aging equipment. The new equipment will allow providers to perform more procedures during patients' scheduled visits, reducing the need for additional appointments and helping improve access, convenience and the overall patient experience.

GRANTS

American Cancer Society granted $25,000 to support cancer patients with travel-related expenses for treatment.

North Dakota Community Foundation – Statewide Greatest Needs granted $2,500 for Healthcare Careers Scholarships.

Inspiritus Twice Blessed Campaign $10,000 in matching funds was granted for the fourth year of a five-year campaign to support the chapel at the new Healthcare Campus and Medical District.

North Dakota Community Foundation – Otto Bremer Trust Community Response granted $63,000 to fund two new Intensive Care Unit (ICU) beds.

Rural Community Grant Fund granted $25,000 to support architectural plans for a new mental and behavioral health facility.

Otto Bremer Trust granted $200,000 to support mental and behavioral health.

Fundraising Events

AND GIFTS IN-KIND

Building Hope Golf Tournament

The 28th Annual Building Hope Golf Tournament was a day of community, fun and inspiration. With a lively “Red, White and Blue” theme, participants enjoyed sunshine, laughter and camaraderie while supporting cancer patients.

Chopper Drop

The fourth annual Chopper Drop was a soaring success! Trinity Health First Response Air flew over Souris Valley Golf Course, dropping nearly 1,000 golf balls from the sky. Thanks to the generosity and participation of the community, proceeds from the event benefit the CancerCare Patient Assistance Fund.

Fuel the Fight

On September 6, Trinity Health Foundation hosted its 8th Annual Fuel the Fight event at Dakota Square ARCO, and it was a tremendous success! Attendees enjoyed family-friendly activities, including a dunk tank sponsored by Heritage Insurance Services, bounce houses for the kids, hourly door prizes and exciting raffle drawings.

A portion of fuel and in-store sales on event day was donated to Fuel the Fight, which provides gas vouchers for Trinity Health CancerCare Center patients traveling for treatment. Fuel the Fight 2025 raised $79,503.69, helping to lighten the travel burden for patients and their families.

Since its inception, Fuel the Fight has raised a total of $531,379.08, thanks to the generosity of participants, sponsors and supporters. These contributions provide vital assistance to patients, ensuring they can access the care they need without the added stress of travel costs.

Double D-Haw

Trinity Health Foundation extends heartfelt thanks to everyone who joined us for the fourth annual Double D-Haw seafood boil and breast cancer fundraiser. Your generosity and community spirit made the evening truly special and made a meaningful impact in the fight against breast cancer. We are especially grateful to Double D-Haw for raising an incredible $25,000 to support Trinity Health Foundation.

Heart of Gold Fundraising Gala

The Heart of Gold Fundraising Gala took place on March 20, 2026, at The Clarion Hotel in Minot, North Dakota, bringing the community together for an elegant evening in support of a meaningful cause. Fine dining, lively entertainment and exciting auction opportunities, made the Heart of Gold Gala a memorable evening of generosity and celebration.

Thanks to the generosity of attendees, the Gala raised over $186,297. It was a wonderful evening for our Foundation, and your generosity helped make it a true success. Because of supporters like you, we can continue strengthening cardiac care for our patients and community.

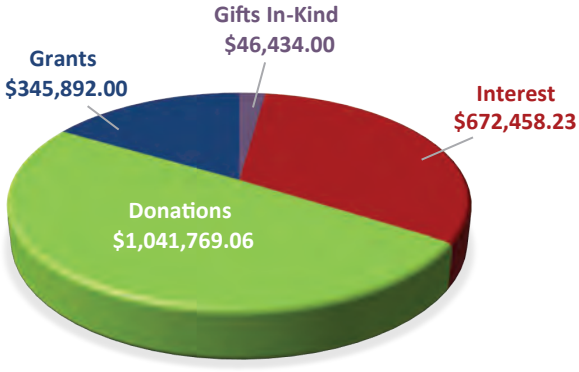

GIFTS IN-KIND

Trinity Health Foundation has received numerous gifts in-kind throughout the year from these supporters:

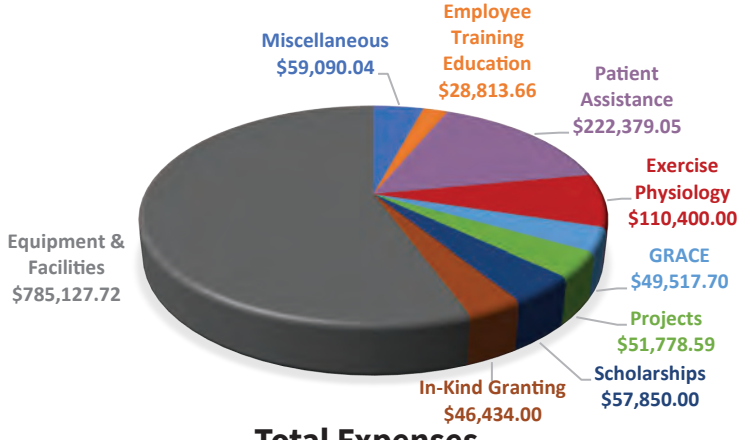

- Sowers of Love, Vincent United Methodist Church
- Advanced Medical Career Students, Minot Public Schools
- Willow City Mission Quilters
- Starlight Children's Foundation
- Affinity First Federal Credit Union
- Pillows for Patients, Rhonda Zimny
- Local companies who support our efforts through prizes and donations for events
- Local crafters who make hats, blankets, prayer shawls, etc., for patients

INVESTING IN THE FUTURE

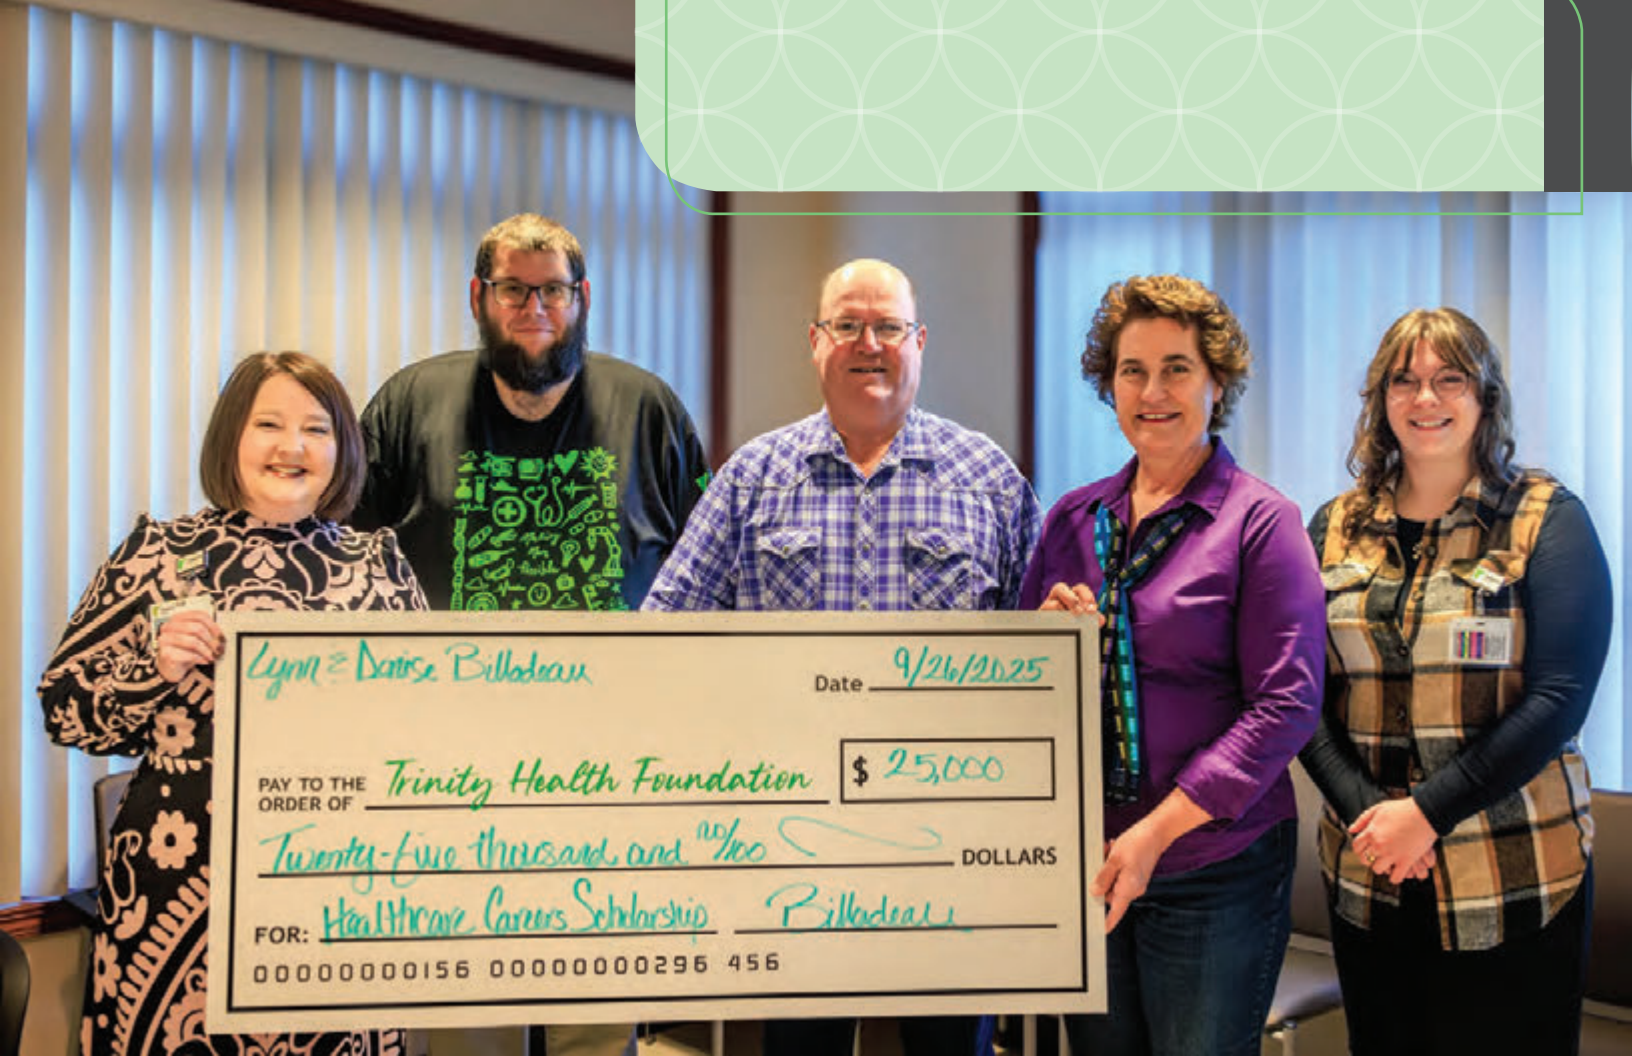

Healthcare Careers Scholarship Endowment Invests in the Future Workforce

A generous $25,000 gift from Denise and Lynn Billadeau established the Healthcare Careers Scholarship Endowment at Trinity Health Foundation. Created to support students from our region pursuing healthcare careers, the endowment reflects a shared commitment to strengthening healthcare access across North Dakota and the surrounding region.

By investing in the education and development of future healthcare professionals, the endowment helps address workforce shortages, particularly in rural communities, while supporting the long-term availability of quality care close to home.

"We are deeply grateful to Denise and Lynn Billadeau for their remarkable generosity," said Dusty Zimmerman, Trinity Health Foundation Director. "This endowment will have a lasting impact by helping local students pursue healthcare careers and strengthening access to quality care in our region for generations to come."

The Billadeaus' investment represents more than a scholarship opportunity. It is a commitment to developing the next generation of healthcare professionals and helping ensure that patients throughout our region continue to have access to exceptional care for years to come.
